Keeping things running smoothly requires many volunteers. Whether you are a novice or a long-time agility enthusiast, volunteering is a terrific way to get to know your fellow competitors and get a ringside view of the action. Even if you've never volunteered before we welcome and appreciate your help. All workers will receive a free lunch for helping.

Please sign up for your favorite job(s) when you arrive at the trial, or by filling out the Google Docs spreadsheet from the link on <https://gfk-akcagility.com/> (and included in your confirmation email) prior to the trial.

CLASS CHANGES EFFECTIVE JANUARY 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Entering for Exhibition Only (FEO)

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

- Dogs may be entered in any level of FAST (Novice, Open, Excellent, or Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
 - Toys must be non-audible
 - Toys may not leave the handler's hand
 - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

HEIGHT DIVISIONS

Owners/agents are responsible for entering the proper height divisions. All height divisions will be offered in both the standard classes and the jumpers with weaves classes. Dogs in the preferred classes must jump their measured height since they are not allowed to jump in a higher height as dogs in the regular classes are. If you are unsure of your height or your dog is borderline and you don't have a height card please enter the lower height and if necessary the judge will move the dog up.

All dogs running in an AKC Agility Trial must have their heights verified by either the judge-of-record for the trial, an AKC Volunteer Measuring Official (VMO) present at that trial or a representative of the AKC's Agility Department (REP) attending that trial. VMOs and REPs are able to issue AKC Height Cards that verify the dog's height and allow the dog to compete without any further measurements being required as follows:

- Dogs between the ages of 15 months and 24 months will be issued a Temporary Height Card by a VMO or REP after the dog has been measured once. That Temporary Height Card is valid until the dog turns 2 years (24 months) old.

- Dogs two years of age and older will be issued a Permanent Height Card after being measured twice by a VMO or REP after their 2nd birthday.
- For Handlers whose dog does not yet have either a Temporary Height card (if not yet 2 years old) or a Permanent Height Card (if over 2 years old):
 - Check the box on the entry form that designates that the dog need to be measured.
 - You must have your dog measured by the Judge-of-Record, the VMO or the REP prior to the dog's first run of the trial weekend.

Not every AKC Agility Trial will have a VMO or REP present. Judges that are also VMOs will always act as VMOs at the trials they judge. If a VMO or REP is present, any AKC registered dog can be measured - whether entered in the trial or not - can be measured by a REP or VMO if they come to the trial site during the weekend's agility trial.

ERRORS ON ENTRY BLANKS-Owners are responsible for errors in making out entry forms, and no entry fee will be refunded in event of such errors or cancellation of entries after trial has closed.

JUDGES ARE NOT REQUIRED TO WAIT FOR DOGS. The owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

DOGS PRESENT will not be permitted to roam. Exhibitors are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior, may, at the discretion of the trial committee, be asked to leave the show site. In such cases, no refund of any fees will be made. All dogs present must be held on leash or confined to their crate at all times except when in the ring or when in the designated agility warm-up area. The site will be monitored and offenders will be asked to leave. In such cases, no refunds will be made. Dogs must use the designated exercise area.

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division. All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.
